Appendix One (1):

▼ APPENDIX G: THIRD LEGACY PROCEDURE

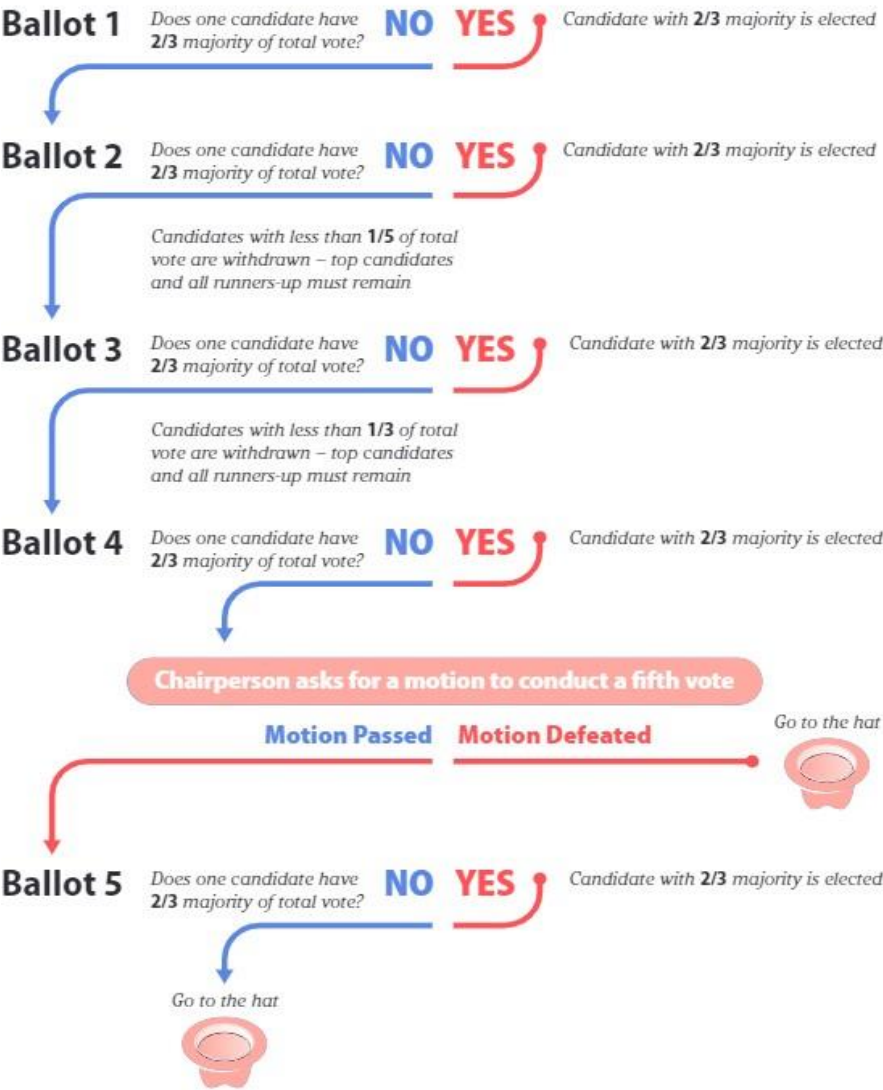

PURPOSE

A.A.'s Third Legacy Procedure is a special type of electoral procedure, used primarily for the election of delegates and regional and at-large trustees. It is considered to be unique to A.A., and at first glance, appears to introduce a strong element of chance into a matter that should depend solely on the judgment of the majority. In practice, however, it has proved highly successful in eliminating the influence of factions or parties that seem to thrive on most political scenes. The railroading of a candidate for election is made difficult, if not impossible, since voters have a wide selection of candidates to choose from. More importantly, a second-place candidate who may be extremely well qualified but without early popular support is encouraged to stay in the balloting rather than withdraw.

► PROCEDURE

1. The names of eligible candidates are posted on a board. All voting members (of the area or Conference body) cast written ballots, one choice to a ballot. The tally for each candidate is posted on the board.
 - The first candidate to receive two-thirds of the total vote is elected.
2. Withdrawals start after the second ballot. If any candidate has less than one-fifth of the total vote, his or her name is automatically withdrawn—except that the top two candidates must remain. (In case of ties for second place, the top candidate and all tied runners-up remain as candidates.)
3. After the third ballot, candidates with less than one-third of the total vote will be withdrawn automatically, except the two top candidates remain. (In case there are ties for second place, the top candidate and all tied runners-up remain as candidates.)
4. After the fourth ballot, if no candidate has two-thirds of the total vote, the candidate with the smallest total is automatically withdrawn, except that the top two candidates remain. In case there are ties for second place, the top candidate and all tied second-place candidates remain.
 - At this point, the chairperson asks for a motion, second, and a simple majority of hands on conducting a fifth and final ballot.
 - If this motion is defeated, balloting is over and the choice is made by lot—"going to the hat"—immediately.
 - If the motion carries, a fifth and final ballot is conducted.
5. If after the fifth ballot no election occurs, the chairperson announces that the choice will be made by lot (from the hat). At this point, the top two candidates remain. In case there are ties for first place, all tied first place candidates remain. In case there are no ties for first place, the top candidate and any tied second-place candidates remain.
6. Lots are then drawn by the teller, and the first one "out of the hat" is the delegate (or trustee or other officer).

Area registrars develop and maintain records of all groups in their area through Fellowship Connection, a user-friendly interface that facilitates information sharing between areas and G.S.O.

G.S.O. only uses the G.S.R.'s information for communication purposes and to help foster connection within the General Service Structure. <https://www.aa.org/your-group-linked-aa-whole>

A group listing does not constitute or imply an approval or endorsement of any group's practice of the A.A. program. Tradition Four says, "Each group should be autonomous except in matters affecting other groups or A.A. as a whole." Hopefully every A.A. Group adheres closely to the guiding principles of the Steps, Traditions, and Concepts.

A.A.'s Traditions suggest that a group not be named after a facility or person (living or deceased), and that the name of a group not imply affiliation with any sect, religion, organization or institution.

Appendix Four (4): Telephone Answering Service and Chat App Procedures

Appendix 4a - CloudPhone

Overview:

The Telephone Answering Service uses CloudPhone as the mechanism to accept phone calls to District 14. This is an Auto-Attendant that we can configure to answer and route incoming calls, and to provide voicemail if the call is not answered. When a voicemail is left on the system by a caller, a notification of the call including the voicemail is sent to the Call-Back Pool by email and / or by text.

Answering Pool

- Phone numbers of volunteers are added to the “extension” of either AA or AI-Anon
- Calls ring through to all members within the pool
- Like any phone call, we always have the option of answering the call or letting it go to voicemail

Call-Back Pool

- A small sub-set of the Answering Pool
- All members of the Call-Back Pool will receive notifications of all voicemails left
- Will communicate with all other members of the Call-Back Pool that they have actioned a voicemail and have successfully made contact.

Hours of Operation

- 10 am – 10 pm is Daytime – will ring through to the Answering Pool
- 10 pm – 10 am is After-hours – will automatically go to Voicemail

Returning a Call

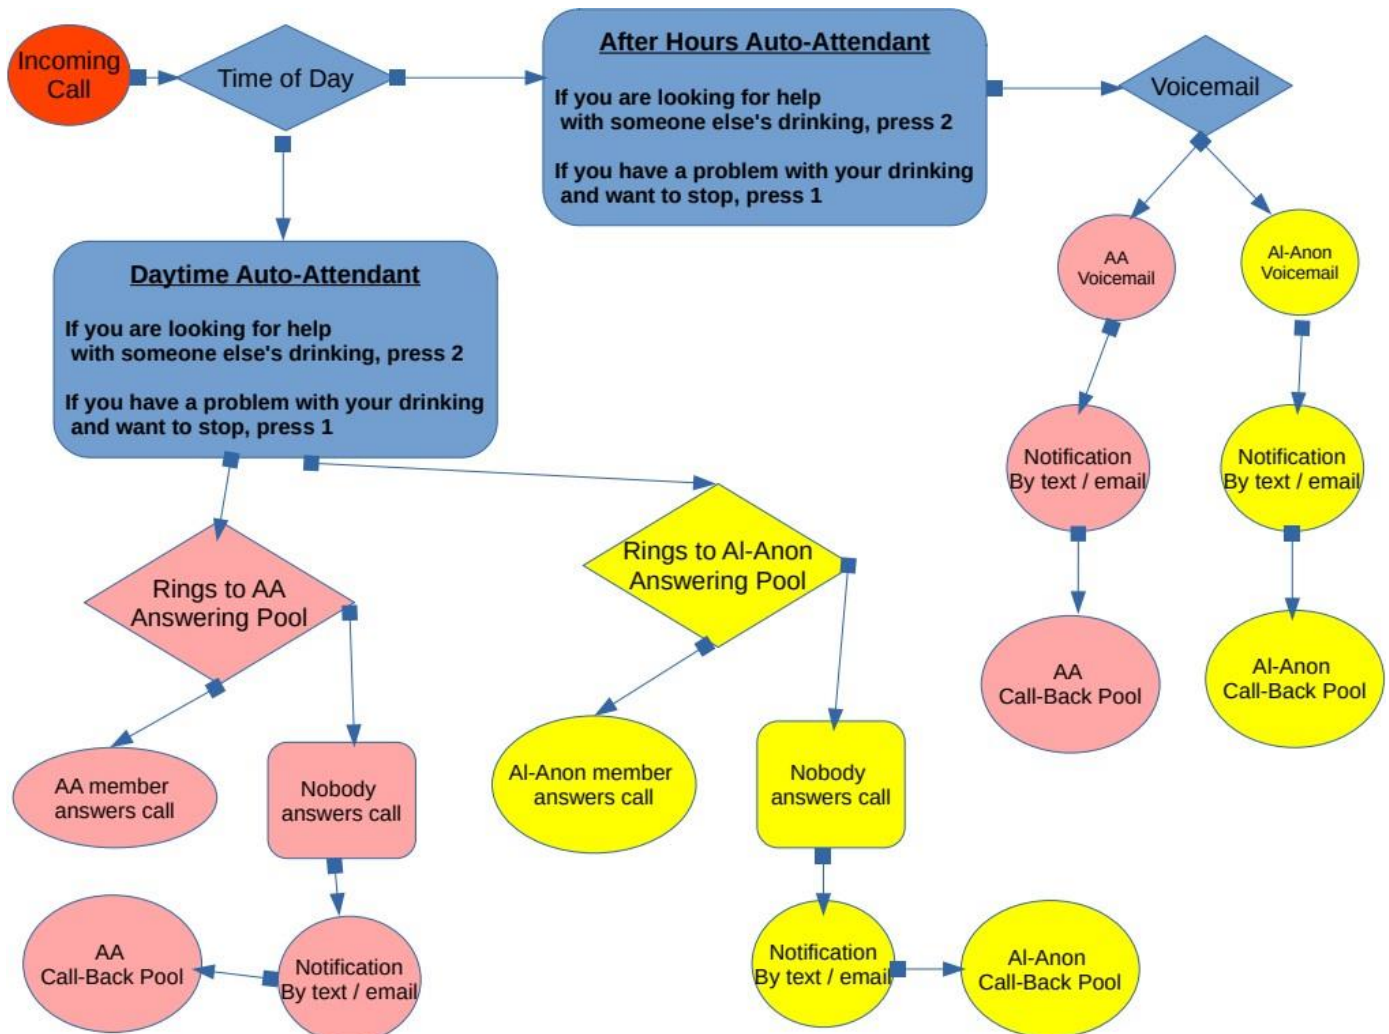

- Always ensure that you are talking to the person that left the message
- Never disclose to someone else that answers the phone that you are returning a call made to Alcoholics Anonymous, or that you are calling from AA.
- If the caller is not available, simply say that you will call back at another time.
- **Never leave a message if there is no answer.**
- It is our responsibility to protect the anonymity of the caller that left the message --- even from their family.
- To protect your number and your personal anonymity, it is a good practice to block your phone number.

If you are using a **landline** use *67 prior to dialing the number.

If you are using a **cellular** phone dial #31# prior to dialing the number.

Instead of your phone number being displayed the receiver will see either Blocked or Private Number.

Appendix 4(b) - Chat App

CHAT RESPONDER JOB DESCRIPTION- REQUIREMENTS and RESPONSIBILITIES

Purpose of role:

The main purpose of the Tawk.to Chat App is to answer live, real time queries from the still suffering alcoholic and provide them with basic information about AA and the 12 Step Program. We strive to encourage newcomers to attend a meeting or reach out to the Telephone Answering Service.

The Chat App is not meant to be a replacement for a 12th Step Calls; it is meant to make 12th Step Calls possible.

We do not provide technical support via the Chat App.

Requirements:

2 years continuous sobriety is recommended as well as a good understanding of the AA Program and AA Traditions, 12th Stepping and the AA Service Structure and the Tawk.to Chat App Guidelines.

Attend at least one training session per year. Attend feedback meetings with the TAS Chairperson to help further develop the app and guidelines based on experiences using the app.

Be familiar with the resources available on the AA World Services website (aa.org) in order to refer people there.

Volunteers should have a sponsor.

The Tawk.to Chat App service uses a live chat box to respond to any enquiries, so working knowledge of and ability to operate a device (computer, cell phone, tablet etc.) and access the internet is expected. Good communication skills, spelling and grammar are also important.

Responsibilities:

You will be part of a team to answer chats. The hours of operation are from 10:00 a.m. to 10:00 p.m. daily.

When a chat request comes in, all those on duty will be notified by their tawk.to apps. Each responder should attempt to immediately respond, unless they see that another responder has already answered. If a Responder has already joined the chat, the others will back off (See How to Answer a Chat Request document). Only one Responder is able to “join” the chat. Others may watch the chat conversation without joining. Other Responders who are watching may “whisper” to the Responder if it is necessary to provide information to that responder.

When answering a chat, you will be able to see what the person is typing before they send it. Please wait for them to send their message before responding, and do not respond to anything they started to type but did not send.

Each Responder should be able to answer chat requests for most of their shift, but may be unable to respond for brief periods. *If you cannot serve a shift, please notify the Telephone Answering Service Chair immediately.*

Appendix Seven (7): District Inventory

District Inventory

Purpose:

- to identify what is working well within District 14
- to identify where District 14 could improve
- to identify any shortcomings within District 14 that should be addressed

Steps to have a District Inventory conducted:

1. DCM to advise the District Committee that our SOPs state that a District Inventory shall be conducted in the fall of the odd numbered year and ask that an ad hoc committee be formed to make arrangements for the event. It is recommended that this ad hoc committee be formed by July in order to allow time for planning.
2. Ad hoc committee and DCM to pick an appropriate date – suggested as a Saturday in September or October.
3. Ad hoc committee to secure a venue to hold the event.
4. Ad hoc committee to make arrangements for food, refreshments, hall setup and cleanup, etc.
5. Ad hoc committee to ensure that flyers are printed and distributed within the fellowship. The event should be included on the District Website. The committee should strive to encourage maximum participation across the fellowship. Each member has an equal voice and everyone will be heard.
6. DCM to select and enlist a Past Delegate from outside of District 14 to conduct the District Inventory. The person selected will determine the format, questions or topics, and other aspects of how the inventory is conducted; this ensures that the District does not “steer” the outcome or what is discussed or not discussed.
7. DCM to ask Past Delegate what supplies they will require to complete the inventory. The ad hoc committee is responsible for providing the supplies.
8. DCM and ad hoc committee should present the findings of the District Inventory to the District Committee within one month at the District Committee Meeting.

Expenses:

1. The District Inventory is included as an expense item in the annual forecast presented by the District Treasurer.
2. The Past Delegate asked to conduct the District Inventory is reimbursed for their expenses to attend. The DCM should be mindful of these costs when selecting the Past Delegate as some will incur more expenses than others due to travel distance.
3. A 7th Tradition for lunch, coffee, etc. should be collected.
4. Hall rental should be paid.
5. The District Inventory should be free for all AA members to attend --- and should be limited to only AA members.
6. The ad hoc committee as part of their report shall include a financial report for costs incurred and paid out, and for monies collected. Any surplus is to be turned over to the District Treasurer.

Appendix Eight (8): Information Days

Information Days

1. The purpose of an Information Day is to encourage participation in service through understanding of AA Service. This event is for any AA member. It is not open to the public.
2. The Information Day is included as an expense item in the annual forecast presented by the district Treasurer, to occur in alternating years from the District Inventory.
3. The district committee forms an ad hoc committee to organize the event.
4. A date is selected that does not interfere with other area or district activities.
5. A venue is selected and reserved. Insurance is obtained if required by the venue.
6. The ad hoc committee plans for a 7th Tradition lunch and refreshments for the event.
7. To encourage attendance it is suggested to distribute flyers and post the event on the district website.
